Community Volunteer Opportunities

"Anyone can choose to volunteer. It is all about taking the first step and trying something you have always wanted to do and by volunteering, not only will you be supporting a worthwhile cause but you also have the chance to develop further skills, meet new people and feel good about being involved."

Sha Cordingley,
Volunteering Australia CEO

We are people working together to create a vibrant, healthy, fair community.

Our work is with all members of the community and we assist people in a caring, non-judgemental way.

We work together to make a positive difference in people's lives.
