

How to apply for a position with GCH

When preparing your application, it is recommended that you:

- download and carefully read the **Applicant Information and Job description**, focus on the key selection criteria for the position of interest;
- conduct some initial research on GCH by browsing the website and reading key resources such as the Annual Report and Programs;
- take the opportunity to speak to the contact person to seek clarification or additional information about GCH and/or the position;
- decide whether GCH is the type of place you would like to work and whether you possess the skills, experience, knowledge and ability required; and
- be aware of the closing date and how to lodge your application.

Preparing your Application

You may wish to submit your application by e-mail. If that is the case please remember to **scan the privacy statement signed** and submit with your application

Your application will have the following:

- Privacy statement signed
- Your current resume
- Key selection criteria addressed separately

Need more information about the position?
