

Volunteering at Grampians Community Health

What is involved?

Attend a **three hour information** session about volunteering

- *Information sessions are organised when there are enough people interested*
- *This information session can also be organised individually*
- *Have an **Interview, Police Check, and Referee Checks** and then further training in the specific volunteering role.*

Each candidate is required to sign a number of forms to ensure

- *understanding of confidentiality;*
- *vehicle is covered by insurance;*
- *media consent;*
- *details for further contact.*

Options to Volunteer

[General Volunteer Info](#)

- **Volunteer Drivers** – *Network of volunteers to provide transport assistance in specific circumstances*
- **Do Care** – *Friendly visiting program which establishes friendships between older people aged 65 and older, or people with disability*
- **TLC** – *Talk Listen Care - Friendly visiting program which establishes friendships between volunteers and carers who look after a family member who has a mental illness or intellectual disability*
- **Welcome Program** - *The program aims to give support to overseas workers and their families who have recently migrated to Stawell or Ararat.*
- **Collating** – *A group of volunteers that helps to collate information for mailing, events or promotions*
- **Active for Life** – *A group of people helping to promote fitness and friendship*
- **Wellbeing Resource Center** – *Volunteers who assist the resource and information centre at Stawell Health and Community Centre.*
